SUMMARY

Attentive and reliable web designer providing original and high quality designs and multimedia tailored personally for your business. Ready to learn, curious and dedicated to help clients and contribute a positive working environment for the team.

EXPERIENCE

Web Designer at Sunrise Resort & eGarden | 2026

Designing the business presentations, website, 3D architectural models, marketing graphics and branding for both a future cafe and Airbnb resort.

Experimental Website Formats | 2025

A passion project where I try to make a new format for a website inspired by Wikipedia, Novels and VR.

YouTube Collaboration | 2024

Collaborated with a YouTuber for creating an original animated film and studio brand.

GUI & Landing Page Designs for Spooktober Competition | 2023

Lead artist on the team, being responsible for character designs, environment concept art and marketing graphic landing pages for 5 individual projects simultaneously.

Gym T-shirt Designs at DGHF | 2022

Designed several of the give-away merchandise for their tier program and brand for 6 months.
